

UNIT 12 LEARNING AND TRAINING CENTRE

Improve your employability prospects with CDFHS by identifying, learning and embedding new skills, backed up by on site mentoring; in effective CV writing, job search campaigns and support, telephone and interview coaching.

VOLUNTEERS NEEDED

We are an Equal Opportunities Employer.

Do you have an hour or two to either be a volunteer helping this venture, or be a contact agent in your area?

Be part of this dynamic team.

Last year we helped over 24,000 destitute or poverty stricken families to furnish their homes using recycled furniture collected from local residents.

Volunteers wanted in all departments, especially drivers, office workers, shop floor workers, cleaners, etc.

Also skilled retired workers to supervise volunteers and placements.

OPENING HOURS

Monday to Friday: 9am - 4pm

Saturday: 9am - 1pm

Everyone is welcome to come and look around our vast selection of goods. We try to provide everything to turn a house into a home.

We help keep families together and prevent thousands of pieces of furniture going to landfill. With more help and funding we could help even more families and recycle more furniture.

For Soft Furnishings, 3 piece suites, high back chairs, rockers, recliners, beds, sofa beds, bedding, curtains, blinds, etc.

ABOUT US & WHAT WE DO

The primary aim of CDFHS is to provide any individual in need with low-cost, affordable items - primarily furniture, but our scope has expanded in recent years to include all types of household items.

We collect free of charge, repair and redistribute items from the County Durham Area which would otherwise go into landfill, while also making available thousands of items of furniture and household goods every year to people from the region. We are widely recognised for our positive environmental impact and helped save some 150 tonnes of items from entering the refuse system in the last year alone!

WHO CAN GET HELP?

Anyone can visit us and receive help, in the form of household goods, which we are happy to deliver - free of charge - to those within 12 miles of Chilton, with a small service charge to cover petrol costs for deliveries outside this range.

We have been steadily expanding and improving our operation and now serve over 2,000 people per month through our showrooms on the Chilton Industrial Estate - supplying them with everything from full bedroom suites through to washing machines, pots, pans, cutlery...
